

### Original Text:

Nico is the first one  
in the queue.  
The one at the head  
of the queue is male.  
Mike is the second  
one in the queue.  
Rick is behind Mike  
in the queue.  
.....

### Decompose

### Decomposed Text:

Nico is the first one  
in the queue.  
The one at the head  
of the queue is male.

### Decomposed Text:

Mike is the second  
one in the queue.  
Rick is behind Mike  
in the queue.

translate

translate

### Wrong Translation:

$\text{pos}(\text{Nico})=1$   
 $\forall x (\text{Head}(x) \rightarrow \text{Male}(x))$   
 $\text{pos}(\text{Mike})=2$   
 $\text{Behind}(\text{Rick}, \text{Mike})$

### Correct Translation:

$\text{pos}(\text{Nico})=1$   
 $\forall x (\text{pos}(x)=1 \rightarrow \text{Male}(x))$

### Correct Translation:

$\text{pos}(\text{Mike})=2$   
 $\text{pos}(\text{Rick})=\text{pos}(\text{Mike})+1$
